RESOURCES LTD.

Junior Project Showcase "Getting it done"

Presented by Alistair Stephens Indaba, February 2024

DISCLAIMER

The material in this presentation has been prepared by Lindian Resources Limited ("Company").

This presentation may not be reproduced, redistributed or passed on, directly or indirectly, to any other person, or published, in whole or in part, for any purpose without prior written approval of the Company. This presentation and the material contained in it is for information purposes only. This presentation is not an offer or invitation for subscription or purchase of, or a recommendation in relation to, securities in the Company and neither this presentation nor anything contained in it shall form the basis of any contract or commitment.

This presentation may not be distributed in any jurisdiction except in accordance with the legal requirements applicable in such jurisdiction. Recipients should inform themselves of the restrictions that apply in their jurisdiction. Failure to do so may result in a violation of rules in such a jurisdiction.

This presentation is not financial product or investment advice. It does not consider the investment objectives, financial situation and particular needs of any investor. Before making an investment in the Company, an investor or prospective investor should consider whether such an investment is appropriate to their particular investment needs, objectives and financial circumstances, seek legal and taxation advice as appropriate and consult a financial adviser if necessary.

This presentation may contain forward-looking statements. Forward-looking statements include those containing such words as "anticipate", "estimates", "forecasts", "should", "could", "may", "ideal", "intends", "will", "expects", "plans" or similar expressions. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company, its directors and management that could cause the Company's actual results to differ materially from the results expressed or anticipated in these statements. The Company cannot and does not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur, and investors are cautioned not to place undue reliance on these forward-looking statements. The Company does not undertake to update or revise forward-looking statements or to publish prospective financial information in the future, regardless of whether new information, future events or any other factors affect the information contained in this presentation, except where required by applicable law or the ASX Listing Rules. It is believed that the expectations reflected in these statements are reasonable, but they may be affected by a range of variables and changes in underlying assumptions which could cause actual results or trends to differ materially. The Company does not make any representation or warranty as to the accuracy of such statements or assumptions.

This presentation has been prepared by the Company based on information currently available to it. No representation or warranty, express or implied, is made as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this presentation. To the maximum extent permitted by law, none of the Company or its subsidiaries or affiliates or the directors, employees, agents, representation or its contents or otherwise arising in connection with it, including without limitation, any liability arising from fault or negligence on the part of the Company or its subsidiaries or affiliates or the directors, employees, agents, representatives or advisers of any such party or its subsidiaries or affiliates or the directors, employees, agents, representation or its contents or otherwise arising in connection with it, including without limitation, any liability arising from fault or negligence on the part of the Company or its subsidiaries or affiliates or the directors, employees, agents, representatives or advisers of any such party.

Competent Persons Statement

The information in this presentation that relates to Exploration Results, Metallurgy Results, and Mineral Resources of the Kangankunde Rare Earths Project is extracted from reports released to the Australian Securities Exchange (ASX) listed in the table at Appendix B and which are available to view at www.lindianresources.com.au and for which Competent Persons' consents were obtained. The Competent Persons' consents remain in place for subsequent releases by the Company of the same information in the same form and context, until the consent is withdrawn or replaced by a subsequent report and accompanying consent.

LINDIAN

Unless otherwise stated, where reference is made to previous releases of Exploration Results, Metallurgy Results and Mineral Resources in this presentation, the Company confirms that it is not aware of any new information or data that materially affects the information included in those announcements and all material assumptions and technical parameters underpinning the Exploration Results, Metallurgy Results, and Mineral Resources included in those announcements continue to apply and have not materially changed.

The Competent Persons' consents for the Mineral Resource Estimate for Kangankunde¹ remain in place for subsequent releases by the Company of the same information in the same form and context as originally announced, until the consent is withdrawn or replaced by a subsequent report and accompanying consent.

The Company confirms that is not aware of any new information or data that materially affects the Mineral Resource Estimate of the Kangankunde Projects, and that all material assumptions and technical parameters underpinning the estimates continue to apply and have not materially changed.

1: refer ASX announcement dated 3 August 2023 "Lindian Reports Maiden Mineral Resource Estimate of 261 Million Tonnes at High Grade of 2.19% TREO"

BOARD & MANAGEMENT

	Asimwe Kabunga Executive Chairman	 Tanzanian born Australian entrepreneur The visionary behind the company's strategy Major shareholder Commercially astute and strategic investor
	Trevor Matthews Executive Director	 35-year resources industry nascent greenfield to mining production experience, graphite, minerals sands, iron ore Ex-Managing Director/CEO Volt Resources Chair ASX:VTM, NED ASX:RMI
	Jack (Giacomo) Fazio Non-Executive Director	 Highly experienced project, construction & commercial management professional Successful project management and negotiations track record
Ð	Yves Occello Non-Executive Director	 45-year veteran of the bauxite and alumina industry Previously Technical Director at Alcan & Rio Tinto Alcan Previous board member of "CBG" – Guinea's largest bauxite producer
5	Alwyn Vorster Non-Executive Director	 30-year experience from exploration, mine development and minerals marketing Ex-CEO of Hastings (rare earths), BCI (iron ore, salt), Iron Ore Holdings (iron ore) NED of ChemX (manganese) and Arrow Minerals (iron ore); Ex NED Volt Resources (graphite)
Ø	Park Wei Non-Executive Director	 Investment specialist in Mining, Property and Finance Chairman Pan Australia Management Pty Ltd Expert Strategist in China relationships
	Michael Fry Joint Company Secretary	 30 years' experience in the corporate finance Bachelor of Commerce Company Secretary for a number of ASX listed companies
S	Brett Tucker Joint Company Secretary	 Chartered Accountant Bachelor of Commerce from the University of Western Australia Over 10 years' experience in governance and equity capital markets

36-year mining industry veteran, ~20 years in critical minerals Alistair Multi-skilled in geology, mining, project development, project engineering and operations, and project delivery, with hands Stephens on experience in Malawi and working with the local community 16 years' operations experienced; +20 years' experience as CEO a CEO/MD **PROJECT DELIVERY TEAM Jack Fazio Project Execution Ricco Britz Process Engineering Trevor Hiwa Civil Engineering** Mining / Resource Development **Geoff Chapman**

ENGAGING THE COMMUNITY

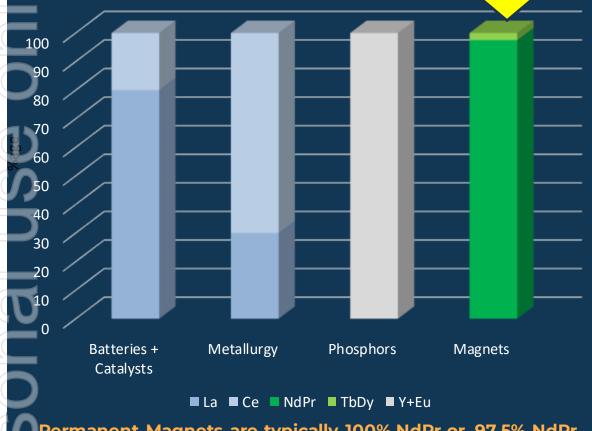

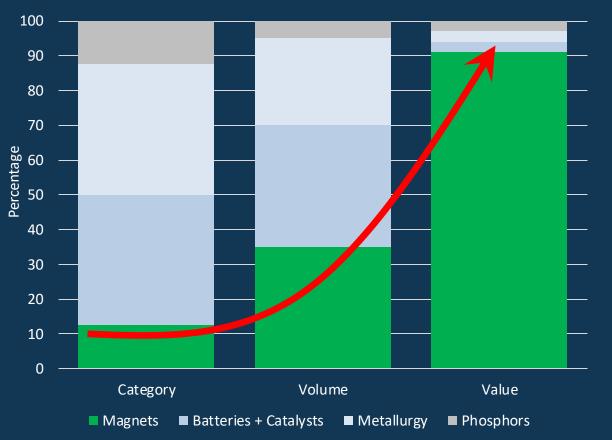

LINDIAN VALUE PROPOSITION NdPr - a HIGH VALUE MARKET

NdPr supply is essential to unlock the use of TbDy

NdPr is 90% of the REO Market Value

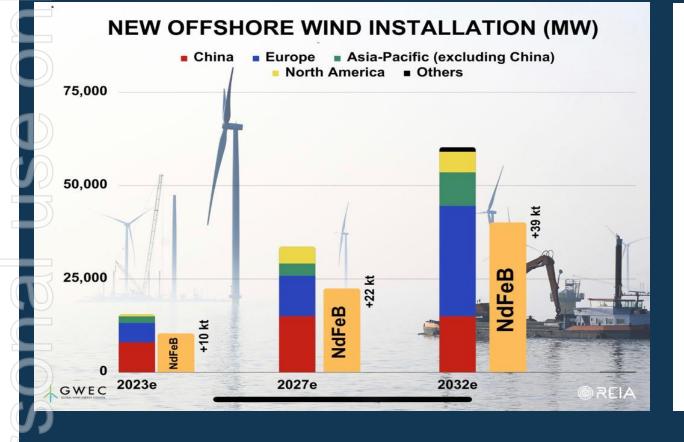

Permanent Magnets are typically 100% NdPr or 97.5% NdPr ±2.5% TbDy Permanent magnets represent 35% of REO volume but 91% of the value. NdPr represents 98% of the value in rare earths in magnets. Modified from Adamas Intelligence

Demand mid-point based on forecast data refenced from The Project Blue 2023, Goldman Sachs 2023, Macquarie, Adams 2022

LINDIAN VALUE PROPOSITION NdPr - a HIGH GROWTH MARKET

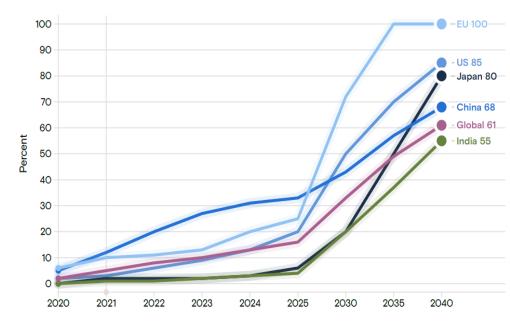

Market on track to deliver

Market on track for dynamic shift

The shift to electric vehicles is forecast to accelerate

Electric vehicle sales ratio (%)

NEXT STEPS?

Near Term Announcements

- Infill drilling assay results,
- Indicated Resource Statement,
- Mine designs and Mine Schedules
- Engineering tenders for constructionConstruction commencement,
 - Feasibility Study

WHY INVEST IN LINDIAN?

Rare Earths : Kangankunde : Malawi

- A Global leading Tier One rare earths asset,
- A Non-radioactive concentrate for transport,
- A Safe mining-focused jurisdiction,
- A **Disruptor** to global rare earths supply chain control
- An **Enabler** of global decarbonisation strategies
- A short-term path to producing a high-value, highgrowth commodity

"Kangankunde aiming to be positioned as the lowest cost quartile producer of monazite concentrate"
