## Strategic Placement

### HIGHLIGHTS

- **Conditional Strategic Placement to raise \$0.5M**
- **Strong sophisticated and institutional interest**

Lindian Resources Limited (“**Lindian**” or “**Company**”) (ASX Code: LIN) is pleased to announce that it has received commitments to raise \$0.5M in a conditional strategic placement (“**Placement**”) to sophisticated and institutional investors.

The Placement requires that two specific conditions are met, these conditions precedents (“CP”) are:

- the Company’s placement capacity being refreshed at the Annual General Meeting (AGM) being held on the 15th November; and
- shareholders approve the Company’s previously announced transaction to acquire the Gaoual Bauxite Project in Guinea at the Annual General Meeting (“**Project**”).

If either of these CPs are not met, the Placement will not proceed.

In order for the CP’s to be met the date for the settlement of the funds will be post the AGM vote and refreshing of the Company’s placement capacity.

**Managing Director Shannon Green Commented:** “This placement ensures the Company is appropriately funded to undertake all currently planned works and general working capital whilst prudently minimising the need to draw down on its loan facility.
